

EXPRESSION OF INTEREST
Provision of Various Solar Installations

Publication date: 12th May 2021

Submission date: 31st May 2021

Country: Zambia

Expressions of interest for Provision of various solar installations which include but are not limited to domestic solar systems institutional solar systems and solar mini grids.

The purpose of this EOI is to strengthen the database of SolidarMed of their vendors who are available, competitive and capable of:

1. Building new and upgrading existing infrastructure
2. Provision of various solar installations
3. Water systems

SolidarMed is therefore seeking firms with the capacity to provide any of the above listed services. Once selected, contractors will then become one of their preferred contractors and will be given the opportunity (through a supply and build contract) to work with us as we strive to build better health services in Zambia. All contractors should be ready to work in rural areas and have a demonstrated track record of time kdelhen and quality execution of services. All contractors are also required to showcase their capacity in terms of human resource and technical capacity and be ready to work with the SolidarMed Training team (Trainers and Trainees).

Eligibility

1. Up to date company profile with traceable physical address.
2. Company registration certificates including PACRA, ZRA, Workman%’s Compensation and
- 3- National Council for Construction (NCC) Registration certificate.
- 4- A minimum of three (3) traceable references of previous work.
5. Proof of financial capacity.
6. Bank details.

Please submit your EOI at zambia@solidarmed.ch
