

INVITATION FOR BIDS

Design, Supply, Installation, Testing and Commissioning of new 400/230/132 kV GIS Substation

Publication date: 21st Jan 2022

Submission date: 22nd Mar 2022

Country: Bangladesh

Duration: 900 Days

Description of procurement:

The **Power Grid Company of Bangladesh Limited (PGCB)**, is seeking bidders for the “**Design, Supply, Installation, Testing and Commissioning of new 400/230/132 kV GIS Substation at Purbachal on turnkey basis (Package-6)**”.

Eligibility Criteria:

- a) Participation as a contractor, Joint Venture partner in at least three (3) contracts that have been successfully completed within last ten (10) years counting backward from the date of the bid submission deadline and that are similar to the proposed contract, where the value of the Bidder’s (or JV partner) participation under each contract exceeds USD 21 million.
- b) The similarity of the Bidder’s participation shall be based on the physical size, nature of works, complexity, methods, technology, or other characteristics
- c) The scope of each contract must include design, supply, installation, testing & commissioning of new construction or extension/renovation of existing 380/X kV or higher rated voltage AIS and/or GIS substations with a minimum of four bays including one (1) power transformer of 380/X kV or above.
- d) For the above contracts executed, a minimum experience in the following key activities:
 - i. At least one (1) contract shall be with new 380/X kV or higher voltage rating GIS substation and that have been in successful operation for a minimum of three (3) years counting backward from the date of the bid submission deadline.
 - ii. At least one (1) contract must be completed either in Bangladesh or outside the Bidder's own country.
