

## INVITATION FOR BIDS

### Construction of 230kV Transmission Line and Reconductoring of 230kV & 132kV Transmission Lines on Turnkey Basis

**Publication date:** 19<sup>th</sup> Apr 2022

**Submission date:** 6<sup>th</sup> Jun 2022

**Country:** Bangladesh

**Project Duration:** 720 Days

**Description:**

Construction of Notun Bidyut Power Plant-Char Fasson 230kV Transmission Line and Reconductoring of 230kV & 132kV Transmission Lines on Turnkey Basis.

**Scope of Work:**

The scope of each contract must include supply, installation, testing and commissioning of new transmission line of 220kV or higher voltage rating, and/or reconductoring of existing 132kV and/or 220kV or higher voltage rating transmission line having at least 25 km route length.

**Eligibility Criteria:**

- (a) At least one (1) of the contracts shall include transmission line Design, Supply, Installation, Testing & Commissioning.
- (b) At least one (1) of the contracts shall be completed outside the Bidder's own country.
- (c) At least one (1) of the contract shall be of 220kV or above voltage new transmission line construction having at least 30 km route length of single/double circuit transmission line.
- (d) At least one (1) of the contracts shall be in successful operation for a minimum of three (03) years prior to the date of bid submission.
- (e) Evidence of above experience shall be submitted in the bid. It shall be given on the user's letterhead, indicating address, telephone and fax numbers of the user. It shall include the name of the project, name of the employer, description of the work, commissioning date and contract amount
