

REQUEST FOR EXPRESSION OF INTEREST

Engineering, Procurement and Construction (EPC) Of 50 Mw Grid-Connected Solar Photovoltaic (PV) Plants in Zambia

Publication date: 17th Aug 2022

Submission date: 2nd Sep 2022

Country: Zambia

Scope of Work:

ZESCO Limited is a vertically integrated electricity utility, which generates, transmits, distributes, and supplies electricity in Zambia. It is a public utility wholly owned by the Government of the Republic of Zambia through the Industrial Development Corporation (IDC).

ZESCO seeks to engage a firm (contractor) on an Engineering, Procurement and Construction basis to develop the 50 MWac solar power plants in Southern, Western and Luapula Provinces that will be wholly owned by ZESCO.

Qualification Criteria:

- Company profile detailing prior involvement by the firm (s) in the development of solar power plants to the magnitude of the one envisaged under this expression of interest.
- Evidence of compliance of matters of taxation in the country of operations.
- Documentation relating to company registration of the business. Applicants are also required to submit information showing the beneficial owners of the company as evidenced by relevant company registration documents.
- Financial statements for the immediate last three (03) years
