

REQUEST FOR EXPRESSION OF INTEREST

EPC 3 solar PV plants with Bess in Guyana

Publication date: Junio 28, 2023

Submission date: September 26, 2023

Country: Guyana

Duration: 12 Months

Engineering, Procurement, and Construction (EPC) of three (3) utility-scale ground-mounted solar photovoltaic (PV) plants with battery energy storage systems (BESS) in Linden, Guyana. This project, referred to as Lot 2 of the Guyana Utility Scale Solar Photovoltaic Program (GUY SOL), is part of a larger initiative to enhance the country's renewable energy capacity.

Eligibility Requirements

Technical and Financial Capacity:

- Demonstrated experience in similar EPC projects, particularly in the renewable energy sector.
- Adequate technical expertise and skilled personnel to execute the project.
- Financial stability and capability to manage a project of this scale.

Documentation:

- Submission of a complete set of bidding documents, available for purchase upon request.
- Bid Security of Two Hundred and Fifty Thousand United States Dollars (USD 250,000.00), or an equivalent amount in a freely convertible currency.

Pre-Bid Meeting and Site Visit:

- Interested bidders are encouraged to participate in the pre-bid meeting and site visit scheduled for August 5-6, 2024, for a better understanding of the project requirements and site conditions.

The Bidding Documents:
